year, we will be returning to **East Roswell Park**, East Roswell Park Shelter # 1 (Previously Named Play-ground Shelter) 9000 Fouts Rd, Roswell, GA, 30076. The facility is only a skip away, and we have reserved it from 10AM to 7PM. Everyone is encouraged to bring a side or desert and an appetite for fun and fellowship. Please invite your friends to come and celebrate with us!

PARISH PHOTO DIRECTORY: We have set new dates for the photo sessions for a new parish photo directory. We are using Universal Church Directories, a company we have used in the past for a new directory. Each family is requested to sign up for a photo session. Each family will receive one free photo and one free directory. We will also be receiving a directory app for mobile devices that can be updated by the administrator as people join the parish or leave. Of course, families may also purchase photo packages from the company; remember Christmas will be around the corner, and many people like photo Christmas Cards. The dates we have chosen are: November 16 & 17, with a possibility of adding in the 15th. Please mark your calendars and we will have more information in the near future.

FREE ONLINE WEBINARS: God with Us Publications, an organization of the Eastern Catholic Churches of America, is sponsoring online webinars through this academic season. They are free of charge and are offered by experts in their fields. EasternCatholic.org/Events for information and to sign up. Also, please see handout.

five outstations in the impoverished Rufiji District of Tanzania. In addition to serving the spiritual needs of his people, father believes in facilitating educational opportunities for the children of the communities he serves.

His dedication includes taking the lead on building a school for girls, who have particularly few opportunities in this country. Father also visits children away at schools to encourage their studies and he also takes part in numerous activities throughout his archdiocese. Father's work requires extensive travel over primitive roads, sometimes in excess of 110 miles. The vehicle father drove recently broke down and is irreparable. Due to the import laws of Tanzania, a replacement vehicle is prohibitively expensive for Fr. Dismas. Father prayerfully requests donations to help him obtain a used SUV so that he may again serve his people. excerpts from the Philokalia, Vol. 1

95. You should be aware of this trick: at times the demons split into two groups; and when you call for help against one group, the other will come in the guise of angels and drive away the first, so that you are deceived into believing that they are truly angels.
