NATURAL FAMILY PLANNING INSTRUCTORS NEEDED: We are looking to train, within a program in use by the Archdiocese of Atlanta, instructors of the Natural Family Planning methods for our parish. If you are interested in this ministry, please contact the parish office.

2021 ANNUAL BISHOP’S APPEAL: Yes, it is that time again where we are asked to support the work of the Eparchy of Passaic. The Eparchy is responsible for many functions of our church and relies on Cathedralricum (8% tax of weekly collections from each parish), and this direct annual Appeal. Our parish goal is the same as last year at \$10,800. However, if we reach or exceed our goal, the parish will receive a rebate of 40% of that total after the campaign has concluded. Last year, we exceeded our goal and received back \$4,788! It is suggested that if each family contributes \$200, then we will meet our goal.

Fasting Regulations for the Phillips Fast

EPARCHIAL REGULATIONS: All who receive Communion in the Eparchy of Passaic are required to abstain from meat or perform an equivalent penance on Fridays of the Phillips Fast. This is the normal practice throughout the year.

FROM THE TYPICON (A GUIDEBOOK FOR THE CELEBRATION OF THE LITURGY AND DIVINE OFFICE): “During this fast it was the custom to observe a strict abstinence on Monday, Wednesday, and Friday and a lesser abstinence (mitigation for wine and oil) on Tuesday and Thursday. The fast is observed more strictly from December 10 (in some traditions) or from December 20 (in other traditions), with

daily strict abstinence, and a mitigated abstinence (wine and oil) on Saturday and Sunday. The Ruthenian Metropolia has identified this period as a penitential season. This fast may be observed voluntarily, partially, or in its entirety.”

POSSIBLE FASTING REGIMINES: Here are a variety of fasting possibilities for those who find the spiritual benefit of challenging themselves to a deeper participation in the Phillips Fast. One can start simple and increase the difficulty as the Fast progresses. **Either way, all are encouraged to do more than the minimum, except the elderly, pregnant, small children, and those with special medical issues.**

Special Notes

The tradition also suggests that fish with a backbone is considered flesh and meat, however, any type of shellfish is permitted all days of the fast. It is also the tradition that both wine and oil are abstained from as well; this may have been because of their storage in animal skins, but either way, alcohol is good to abstain from during fasting periods.
