Why are you interested in serving as a board member for Valley Academy?

Area(s) of expertise/contributions you feel you can make to the school as a board member along with relevant community experience and/or employment (attach a resume):

Do you have any other volunteer commitments?

Board membership requires attendance at monthly meetings and leadership of at least one board committee. As a board member, one must stay informed of school and board issues by reading the school's charter and other documents found on our website. Board members are volunteers and receive no compensation for service. Additionally, board members must pass a background check and commit to a three-year term. Board members may not serve concurrently on the Board and work as an employee of the school.

Is this something you can agree to?
