

School Land Trust Meeting Minutes
January 23, 2024
3:00 PM

- In attendance
 - Jason Dunahoe, Bekah Korn, Yolanda Orr, Dawn Holland, Tracy Stevens
- Jason welcomed, led us in the pledge, and cited the mission statement
- Verified the amount of our current 2023-24 school plan. Reviewed the goal to pay for a math specialist and to improve the proficiency rate 5% from 28.6% to 33.6% by May 24, 2024
- Tracy Reviewed data from the 2022-23 school plan. The 2 year goal from 2021-22 through 2022-23 school years was to improve ELA proficient scores by 20% (10% ea. Year). Valley Academy improved the LEA proficient scores by 51.25% over the 2 years.
- The committee discussed options for next school year's plan and decided to keep the funding going towards the math specialist and increase our goal to 60% proficiency.
 - Yolanda made a motion for the 2024-25 plan and Bekah Korn made a second. All were in favor
- Tracy made a motion to approve the minutes from September 14, 2023. Jason made a second and all were in favor
- The next discussion led into school safety and Tracy discussed the new school security and safety grant that Valley received. He explained the needs which were:
 - Fire Alarm service, back door repair, camera service, FOB gate access, parking lot revamp, and closing our campus with fencing
- Tracy brought up for discussion that a community member has requested that the parent safety committee look at the location for a stop on route 1. Tracy showed where the previous stop was and where the community member purposed the new stop should be.
 - The parents discussed further about safety and decided that the safest route in their opinion is to keep it on 200 S.
 - Tracy explained that the community member was worried about the children's safety. Further discussion was held and the parents felt the safest place for the drop was still on 200 S where it previously was.
- Jason motioned to adjourn, Bekah second, all were in favor.
