Online Dress Policy for Grades K-8

Student Uniform Dress Policy (K-5)

I. Purpose and Philosophy

- a. Valley Academy has chosen to adopt a uniform dress code in order to create a positive atmosphere where students can feel safe and comfortable. Uniforms minimize visual socioeconomic differences between students and create an environment where clothing and fashion are not a distraction to the daily educational process.
- b. When learning online Valley Academy still feels it is important that elementary students stay within the uniform dress policy whenever they are streaming live into the classroom. This appearance should be just as if he/she is inside the classroom in person.

II. Policy

Students are required to wear the Valley Academy uniform daily while attending Valley Online School (VOS) when streaming digitally live inside to the classroom. Dress code violations will be addressed with parents as needed.

III. Special Accommodations

 - i. Are financially unable to provide the uniform. They may meet with a school administrator to discuss the options available.
 - ii. Medical reasons. A doctor's note to the school administrator explaining the necessary modifications to the Dress Code and the length of time the modification must be held will be necessary
 - iii. Items of clothing or jewelry that have previously been identified for religious reasons.
- b. Valley Academy administration reserves the right to be the ultimate authority in deciding what constitutes appropriate school attire.
