Discussion of pros and cons of a uniform policy

Pros - Less costly and simple - seem to last longer

Unity - less social distinction (name brand versus non-name brand)

Like current policy - more flexibility, no decision making

Easier to fit in

Likes ability to add their own flair

Cons - Limits individuality -

Does get more costly the older they get

As a teacher not also comfortable with having to enforce and having to make the judgment call

Want to keep modesty

Discussion of feedback from surveys

- If we have one, needs to be enforced
- Middle school shouldn't be different (all or nothing for entire school)
- Make it simpler
 - Allow jeans and black pants
 - Allow any colored shirt, not just polos
 - Valley shirt/polo and any bottoms

Discussion of any proposed changes

Like the idea of spirit shirt and bottoms

Likes the current middle vs elementary - gives them guidance and allows transition

Reviewed both policies by each topic - socks, shoes, bottoms, and tops - discussion by all on what's appropriate, what's not, how it would impact admin and teachers to enforce

Drafted policy based on discussion to submit to policy committee

Proposal of next meeting - June 6th at 6:00 pm

Adjourn - 7:38
