

# Problems our clients face?

- 1) Average marketing director salary in Nevada is \$183,076.
- 2) Paying wholesale pricing for marketing services.
- 3) Limited marketing resources.
- 4) Limited expertise in marketing. (Marketing Directors are often either experienced in digital marketing or traditional marketing, rarely both.)
- 5) Creating an efficient marketing team that is focused on the same goals.

# Solutions for our clients

- 1) Negotiable packages suitable for all marketing budgets at a fraction of the price of a marketing director.
- 2) Full transparency agency pricing. (all services will be priced at our agency pricing so your company gets up to 10x more impressions for the same cost of wholesale pricing.)
- 3) Full access to all of our marketing services. (Listed above)
- 4) Full team of well rounded marketers. We specialize in all aspects of marketing...including traditional marketing, digital marketing & professional content creation.
- 5) We are a top-to-bottom marketing team with 1 goal, to take your brand & company to the next level & expand the awareness of your company.
