5. The devil stands ready to fall upon them, and seize them as his own, at what moment God shall permit him. They belong to him; he has their souls in his possession, and under his dominion. The scripture represents them as his goods, Luke 11:12. The devils watch them; they are ever by them at their right hand; they stand waiting for them, like greedy hungry lions that see their prey, and expect to have it, but are for the present kept back. If God should withdraw his hand, by which they are restrained, they would in one moment fly upon their poor souls. The old serpent is gaping for them; hell opens its mouth wide to receive them; and if God should permit it, they would be hastily swallowed up and lost.

On November 12, 2022, two World War II-era aircraft, a B-17 Flying Fortress and a Bell P-63 Kingcobra, collided mid-air and crashed during the Wings Over Dallas airshow at Dallas Executive Airport in Dallas, Texas, United States.^[1] The collision occurred at 1:22 p.m. local time (CST, UTC−6). The airshow, which coincided with Veterans Day commemorations, was organized by the Commemorative Air Force.

Officials reported that the B-17 had a crew of five while the P-63 had a single occupant; all six were confirmed by the Dallas County Medical Examiner to have died. Both aircraft were destroyed on impact.^{[2][3]}

Aircraft [edit]

The B-17 involved was *Texas Raiders*, a Douglas-Long Beach built B-17G-95-DL, aircraft registration number N7227C, which first entered service in 1945 and was operated by American Airpower Heritage Flying Museum. It was one of the few surviving B-17 Flying Fortress aircraft that remained airworthy.^{[4][5]}

The second aircraft involved was a P-63F-1-BE Kingcobra registered N6763, which was also operated by American Airpower Heritage Flying Museum. This plane was one of only two P-63F variants ever built and was one of only five P-63s that remained airworthy. It did not have a name and was painted in its original "X" test markings, originally used as reference points for tracking purposes.^{[6][7]}
