## Message from Association President

Hello, association members! As your newly elected President, let me first say congratulations to all of my fellow board members. I look forward to working with a group of men and women who are invested in exploring challenges and seizing opportunities. To my fellow alumni and current WHCA members, you have my commitment that our association will do our very best to foster community and fellowship. To that end, I have a few announcements and goals for the year.

I am looking forward to our Annual Golf Tournament, scheduled for June 23, 2023. In the past, the association has sponsored an open house the day after the tournament. Like most events disrupted by the pandemic, the open house has been no exception. We contemplated options to bring current and former WHCA members together, and I am happy to announce that WHCA leadership will be hosting an alumni event at the Headquarters on June 22, 2023. More details will follow, but the focus will be on providing WHCA alumni the opportunity to interact with current WHCA members. Also, a chance to see all of the great things that WHCA is doing today. I can personally attest that the agency has taken on some new mission and is performing much of the previously existing mission much differently than what many of our alumni experienced. I expect this event will introduce alumni to a variety of state-of-the-art capabilities that WHCA deploys worldwide, exchange great stories, and build some new relationships. The association will be asking for RSVPs for this event soon. In the meantime, save the date on your calendars!

Our beloved association will continue to do the many great things we have done in the past. While the golf tournament is an annual favorite,

we will be getting back to some normalcy and participating in a number of WHCA events. We continue to sponsor and manage the scholarship program. However, as the new President, it is my highest priority to increase alumni membership to provide more direct support to the agency and its members, and develop greater opportunities for WHCA's members to leverage the collective experience and opportunities that the alumni can provide.

I have been repeatedly asked by WHCA alumni who are not active Association members, "why should I be a member? What's in it for me?" Given the advent of social media, it is much easier to stay connected with one another, so the notion of giving access to the alumni network and the newsletter have lost some of its luster. So, to those questions, my answer is this: it is not about what we get from being a member, it's about what we can give back to the agency that gave us all so much when we served. The money we collect from membership dues go directly to support the agency, the people and their families in the form of events and the scholarship fund. Therefore, I am asking all of our current members to encourage other alumni who are not members to sign up. Help us, help those who walk in our footsteps, and become a part of a growing network of current and former WHCA members working together to support the agency. We are planning a spirited membership drive this year, leveraging social media and other creative forms of outreach. Standby for more on this subject.

The last thing I will mention is our desire to provide a strong bond and connection between WHCA's current members and its alumni.

Many of us in the alumni ranks have move into second careers in the Government/Government Contracting industries. We have among us senior Government officials and leaders in federal contracting companies with senior leadership and/or hiring management roles. Take a moment to reflect on when you were retiring or separating from military service. Did you have anyone mentoring you or coaching you on how to find a job, or how to “step out of your boots” and begin to behave and perform as a civilian? If you did, you know the value. If you did not, imagine how much less anxiety you would have faced as you stepped into the unknown. For these reasons, my objective is to strengthen the access of our current WHCA members to our alumni networks, provide mentoring opportunities, and provide guidance and coaching in the form of events like resume writing workshops, interview tips, and lessons in how to find a great job and be successful on the outside. Again, we will leverage social media to advance this agenda, and hopefully sponsor and support more events and opportunities for people to be engaged.

We want to hear from you! If you have questions, ideas, or want to get more actively involved, please contact me at [president@1600commassoc.org](mailto:president@1600commassoc.org)

This year is going to be monumental supporting WHCA-- and boosting our comradery and fellowship. I hope to see you all soon!

Respectfully,  
Rob Blake  
Board President, 1600 Communications  
Association

### WHERE ARE THEY NOW?

In the last 10 years the Association has awarded approximately 50 scholarships totaling more than \$120,000. Awardees have pursued a wide range of studies including medical, engineering, environmental, business, and the arts. We enjoy hearing from our awardees and encourage them to send us updates. The following are two messages from recent awardees:

Dear Mr. Ramsey,

I would like to thank you, Mr. Aitken, and the Scholarship Committee of the 1600 Communications Foundation for this incredible honor. I am deeply humbled to receive such a generous award. The scholarship money will help me seek out more educational opportunities at North Carolina State University, including internships and study abroad programs.

I am particularly honored to have received the Ronald K. Thomsen Memorial Scholarship Award, as my grandfather worked with him at WHCA. He told me of Mr. Thomsen's admirable traits and character, and how he always strived for excellence. As I head out the NC State, I am very interested in a career that combines environmental science with the government and public service. I look forward to updating you on my accomplishments.

Thank you,

Sean Ravenberg

Dear 1600 Communications Association,

Thank you so much for granting me the General Tuck Memorial Scholarship for the upcoming academic year! I am incredibly grateful for your service and will look forward to serving in the near future as a physician.

Sincerely,

Katie Schmidt

### *Eisenhower Reunion*

Abilene, Kansas  
SEPTEMBER 7-8, 2022

Thirteen former WHCA members met in Abilene for a Reunion. They traveled from nine states and served Presidential administrations from Kennedy to Clinton. During the two-day event, the group visited the Eisenhower Museum and Library, laid a wreath at the gravesite of President and Mrs. Eisenhower, held a public meeting on September 7 with presentations on memories and experiences while serving in the Agency, and was provided with a tour of the luxurious 1905 Seelye Mansion, a nationally known historic residence. The reunion was concluded with a Wheels Up Dinner at Brookville Hotel and Legacy Restaurant, a Kansas legendary facility.

Group picture taken at the conclusion of the tour. Left to right: Tam Glotzbach, Don Murray,, Bob Ethen, Wayne Vorland, Dave Ludwig, Mike Ebbing, Mike Stratton, Roger Newton, Jim Ferguson, Harland Priddle, Emmett Capt and Ken Bench

The reunion was kicked off with a welcoming coffee and pastries at the Alamo Saloon in Abilene Old Town. After a welcome to Abilene by Mayor Dee Marshall, Mike Ebbing, WHCA 1970-1972, and Harland Priddle, WHCA 1970-1974, Co Chairmen for the reunion, distributed name tags and reviewed the agenda for the two-day event.

Following the welcoming coffee, the group was given a guided tour of the Eisenhower Museum and Library. Mary Jean Eisenhower, the granddaughter of President Eisenhower, was guest of Honor at a luncheon in the Seelye Mansion.

During the luncheon period, the WHCA Alumni were presented a copy of a letter from Mary Jean expressing her appreciation for the group visiting the Eisenhower Museum and Library. The group also was provided a copy of a letter from Marlin Fitzwater, Press Secretary for President Reagan and President George. H. W. Bush and a proclamation from the City of Abilene declaring September 7th and September 8th as White House Communications Days in Abilene. Marlin Fitzwater grew up near Abilene and graduated from Abilene High School.

The wreath laying ceremony was held in the Place of Meditation with Mary Jean Eisenhower participating in the wreath laying ceremony. The ceremony began with playing Hail to the Chief and was concluded with taps immediately following the wreath placement.

The public meeting for the community was held with Mike Ebbing, Chief Switchboard Operator at Camp David from 1970-1972 and Harland Priddle, Deputy Commander of WHCA from 1970-1974. Their narration and slide presentations covered memories and experiences during their time with WHCA. Every seat in the venue was filled.

On Thursday morning, the members held a private session under the shade trees near the Eisenhower Library sharing personal experiences through stories about their time in WHCA. Following a buffet lunch from a local restaurant, Hitching Post Restaurant, the group was given a guided tour of the Seelye Mansion.

The Wheels Up Dinner was held at the Brookville Hotel and Legacy Restaurant. The menu included their famous fried chicken and all the trimmings served family style.

# Alumni Reunion

Plains, Georgia  
OCTOBER 1-2, 2022

In October 2022, 162 WHCA alumni assembled in Plains, Georgia for the reunion. Larry Little and Cathie Skoog initially planned for reunion to be a “cookout” with about 35 people. Because of Hurricane Ian, 16 members were unable to attend due to property damage. We were pleased to have so many spouses and guests attend. The guests raved about how interesting it was to learn about the experiences of members that served in WHCA in the National Capital Region and traveling globally in support of the President, Vice President, and First Lady. It was heartwarming to see people creating memories, renewing former friendships, and making new friends.

The unofficial reunion started on Friday evening as folks arrived and began reconnecting in the WHCA office and the keg, where Rick Overstreet was the bartender and Ray Millaway made popcorn for everyone.

Bartender Rick Overstreet ('84 – '87) and Popcorn Popper Ray Millaway ('76 – '84). The Keg was provided by Allan Gomez ('73 – '81)

## October 1-3, 2022 Plains, GA

The reunion “officially” kicked off on Saturday morning with a “welcome” from Larry Little followed by an emotional video created by Ray Millaway. It has been posted to YouTube at: [https://www.youtube.com/watch?v=wNKyBI\\_h1Dw](https://www.youtube.com/watch?v=wNKyBI_h1Dw)

The National Park Service now oversees a number of sites in Plains Georgia including where President Carter’s high school is located. The school is now closed and serves as the visitor’s center for the Park Service Historical Site and as a museum chronicling President Carter’s boyhood and his presidency. The Park Service generously allowed us to use the school auditorium as the gathering place for the reunion activities. The Plains community was extremely welcoming for all the reunion attendees. In fact, the local restaurants, hotels, and businesses warmly embraced our presence and made accommodations to work around our scheduled events.

We were honored to have the mayors from Plains and Americus welcome WHCA to their cities. Kim Fuller, niece of President and Mrs. Carter, and the Executive Director of Friends of Jimmy Carter, spoke to the group and shared some stories of growing up with an uncle who was also the President of the United States (POTUS). Phil Wise, who served President Carter as his appointments secretary, also provided welcoming remarks to the reunion attendees.

Jerry Muhlenkamp (’75 – ’80) is a member of American Legion Post 217 in Sidney, Ohio and is on the Post baseball committee. The committee is preparing for the 100th anniversary of American Legion Baseball in 2025. Through research it was discovered President Carter was the only president to play American Legion Baseball in his youth. Jerry acquired “home” and “away” baseball jerseys from the Post with the number “39” to match our 39th President. Jerry presented the two jerseys to Kim Fuller and Phil Wise for President Carter.

Following the presentations, the alumnus had a birthday celebration to honor President Carter’s 98th birthday, complete with singing happy birthday. We had a large birthday card, signed by every WHCA person who attended the reunion. Larry Little presented the card to Kim. Unfortunately, President Carter was unable to attend.

# WHCA Reunion - Plains

At our afternoon break on Saturday, everyone had birthday cake. A big “thank you” to Kay Hathaway, Belinda Hudson, Becky Cammel, and Sheila (Bellville) Brautigam ('75 – '81) for taking care of the troops and making sure everyone had a piece of cake.

Sunday focused on presentations from all WHCA sections and people shared stories. We even had a trivia game, hosted by Marty Williams and the teams competing kept everyone in stitches laughing.

We had our very own Reunion Musicians, Ken Gray ('80 – '87) standing, and Jimmy McLendon ('85 – '88).

The only complaints heard were, “Oh, I have to head home too soon”, “I wish we had more time to visit” and “Oh, I didn’t get to talk with xxx”. We heard you and with planning the 2023 reunion, we are going to provide even MORE time to visit with one another.

The Quality Inn in Americus Georgia (originally the Best Western from the days of Presidential trips to Plains) served as the base of operation for the reunion. The “WHCA Office” and Keg were set up in meeting rooms and the dining room of the hotel.

Having all of the dinners at the Quality Inn which opened into The Keg was a real treat. Folks could have dinner and socialize until they were ready to retire to their rooms or to the WHCA Office, which was across the hall.

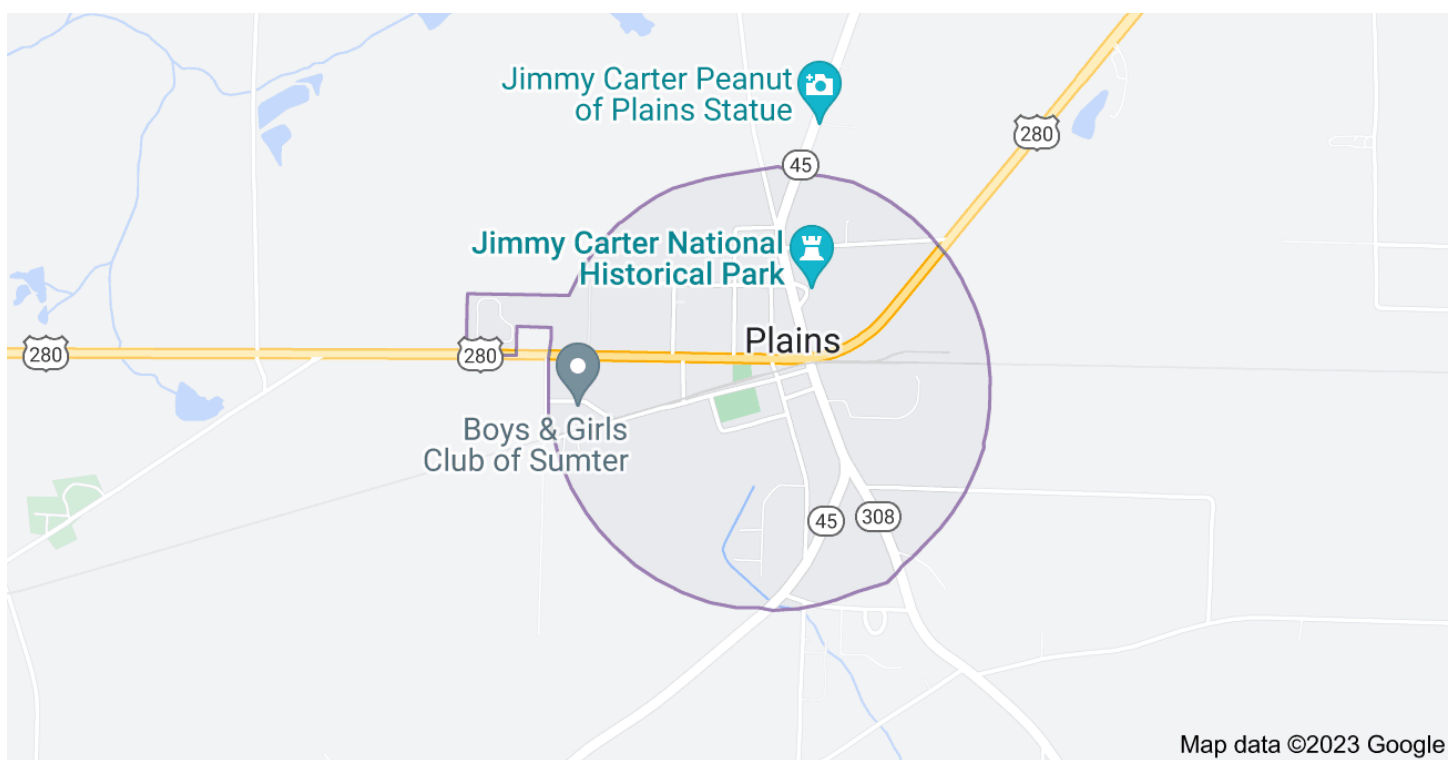

# Plains Reunion 2023

The dates for the 2023 Plains Reunion are **September 30 – October 2, 2023**. Mark your calendar now! The location for the reunion will again be the **Carter Center** in **Plains, GA**.

The Quality Inn will be “Hotel Central” where we will have the WHCA Office, Keg and dining room for dinners. There will be no dog-fee at the hotel, so you can travel with your dogs; arrangements will be made for Doggie Daycare and Boarding in Plains.
