For more than 30 years, the Fisher House program has provided a home away from home for families of patients receiving medical care at major military and VA medical centers. These homes offer free, temporary lodging to military and veteran families, allowing them to be close to their loved one during a medical crisis and focus on what's important—the healing process. There are 92 Fisher Houses\* located in the US, Germany, and United Kingdom.

\*As of April 2022

Fisher House Foundation has several other major programs:

**Hero Programs**—Allows donated frequent flyer miles and hotel points to be used to bring family members to the bedside of injured or ill service members.

**Chairman's Award**—Recognizing innovative programs for military and veteran communities.

**Scholarships**—A grant program that provides scholarships to children and spouses of military families.
