

The Isle of Wight Cricket Board continue to show a healthy financial position and demonstrate robust financial management.

For the year ending 30 September 2025, the accounts show a small profit of £2k, retained profits amounting to £127k and a bank balance of £127k.

The plan for 25/26 is to continue with a balanced budget and drive improvements around all aspects of cricket development on the Isle of Wight.

The statutory accounts will be finalised in February 2026 by our auditors.
