Reporting a Safeguarding Concern

Please visit [How to share a concern \(cricketregulator.co.uk\)](https://www.cricketregulator.co.uk) for more information on how to share a concern.

If you have any concerns about a child or adult at risk or the behaviour of an adult towards either of these, you should share these immediately. It is natural to feel a little anxious about reporting a safeguarding concern, but remember, it is not your responsibility to decide if abuse or neglect has taken place, but you do have a duty of care to share any concerns you have.
