## White Horse Nation, LLC Purchase Agreement

When you purchase a seat for a White Horse Nation, LLC (WHN) class you understand that it is like purchasing a seat for a concert, a sports event, etc. Your purchase reserves a place in the class that other people may want.

Just as any sports event or concert, your money will not be refunded if you fail to show up for a class OR if you are late for the beginning of the class and miss the safety portion.

You will not receive a refund if you are turned away on the day of the class because you showed up for the class without the items required for the class. The list of items you are required to bring can be found in the course description.

You will not receive a refund if you commit a safety violation during the class and are asked to leave.

In cases where we are able to fill the seat opened up by a cancellation we will issue a refund.

We will also issue a refund due to a bonifide emergency such as a death in the family. These cases will be handled on a case-by-case basis and proof of the emergency may be requested prior to a refund being issued.

In cases where WHN does agree to issue a refund, the refund will be less any fees WHN incurred such as Paypoll fees, credit card fees, etc.

Refunds issued due to any fault of WHN, such as cancellation of a class, will be issued in full.
