Bridal Party Contract

Updated March 2022

Thank you for choosing Tryst Salon and Spa for your wedding day! We are honored you chose us and want your day to be as carefree and special as possible. We offer all of your hair, make-up, nail, and skincare needs for you and your bridal party for your special day. Please complete and return a copy of the following forms so we can schedule all of the services needed for you and your wedding guests. Please be aware that this agreement is a contract that requires cash or a credit card to reserve your appointments. If these services are cancelled 30 days before your wedding date, we will issue a refund, less 20%. Cancellations after this point will not be refunded. Any changes must be made thirty days in advance. Any “no shows” or cancellations to any appointments without 14 days’ notice will be charged in full for services scheduled. The deposit will be loaded onto a Tryst gift card to use the day of your wedding, and the remaining balance is due upon the completion of services. We hope this will help add to the ease and enjoyment of your day.

I, _____, have read and fully understand all of the above terms and conditions. I agree to them and consent to them as stated above.

Specialty Services

CND's Shellac is the first hybrid nail color that applies like polish, wears flawlessly for up to 14 days of high gloss shine, and removes in minutes. You won't have to worry about chipping a nail on your special day. We also carry OPI and Gelish brand shellac polish.

Shellac Manicure \$40.00 and up
Add French Polish \$4.00

NovaLash Lash Extensions are a glamorous new way to extend the length and thickness of natural eyelashes, and are a practical, convenient and beautiful alternative to the daily use of mascara. Unlike decades-old, traditional false lashes, lash extensions are the first innovation in lash lengthening that can be worn daily, without nightly removal. Because each tapered, synthetic lash is bonded to a single natural lash, the final result is of effortless glamour and difficult to detect even close up.
