Morning View Aviation Flying Club

Fees, Dues, and Bylaws Acknowledgement

I, _____, understand that as a flyMVA member, there is an annual Membership fee that I am responsible for paying in full before operating or scheduling a Morning View Aviation resource such as an aircraft.

I understand that a Provisional / Student membership is DUAL ONLY unless authorized for solo flight by my Club Approved CFI through a logbook endorsement. The Provisional member is NOT responsible for the annual membership fee or monthly dues.

I acknowledge that flyMVA club membership has monthly dues. The dues are considered due on the 1st of the month following the month of my approved application for membership.

I acknowledge that I am responsible for keeping an active credit card on file with Flight Circle. Payments are not required to be made with a credit card, however, the card must be on file and available to be charged. In lieu of a credit card on file, a cash balance of \$500 must be maintained at all times per the Bylaws, payable by credit card, cash, check, or other electronic means.

I acknowledge that my flying privileges begin in the month following my approved membership application, unless a prorated dues amount for the initial month has been approved by the President.

I acknowledge that I have read the Morning View Aviation Bylaws, and Addenda to include Addendum A: Membership Application, Addendum B: Club Membership Dues and Rates, and Addendum C: Club Operating Rules.

I understand the above statements and acknowledgements are applicable to both Provisional and flyMVA memberships.
