IV. Principal Report

Ms. Donzilla discussed the new partnership with APEX for Fun Runs going forward. Will no longer be a parent volunteer event, APEX handles everything. They also provided a \$300 gift card that Ms. Donzilla has been using to give back to the teachers. She discussed the value of partnership with the PTA. She hasn't had to worry about using school budget to deal with field trips and any other expenses PTA handles. She is able to use school budget for other needs instead.
