May 1st, 2026

Dear Unit Owners and Residents,

Please be advised that WKM will soon be moving construction operations to the **East Building** as work progresses.

To allow adequate space for construction equipment, materials, and workers, we kindly ask that **all vehicles currently parked in the parking garage under the East Building and along the south side of the parking lot between the East Building and the townhome fence.**

Alternative parking will be available:

- In the front parking areas
- Next door at Quiet Waters Condos

Please note: Parking near the pool area and under the **west side of the East Building near the pool** will **not** be affected at this time and will remain available for use.

This temporary parking adjustment is necessary to provide sufficient room for construction equipment and personnel so work can continue safely and efficiently.

We greatly appreciate everyone's cooperation, patience, and flexibility as these important improvements continue.

If you have any questions or concerns, please do not hesitate to contact management at any time.

Thank you for your continued assistance.

Sincerely,

Leading Edge CAM Agent
