Announcement to Participating Locals in the Five Counties Central Labor Council

Three \$1,500 Scholarships will be awarded in 2021

The Five Counties Central Labor Council announces the college scholarship program for 2021. Three \$1,500 scholarships are available this year. It is our pleasure to commit to the training of the next generation of Californian workers.

Enclosed are the rules and applications for these scholarships. Please circulate these to your members via newsletters, special mailings, setting them out at meetings and distributing them from your offices. Be certain to get them into the hands of your members who are family or household members (parents, domestic partners, grandparents, siblings, etc.) of graduating high school seniors. Some locals may even have a few members who will be graduating high school this year. Students of deceased or retired members may also apply.

The applicant must be graduating high school in the Fall of 2020 or Spring of 2021 and plan to enroll in an accredited college or trade school as a full-time student (at least 12 units) for Fall of 2021. The application requires applicants state their relationship to the union member, provide proof of the union membership in a local affiliated with this Labor Council, and write an original essay about how belonging to a labor union benefits their family as well as the union member in their workplace.

Eligible applicants will be selected by the Scholarship Committee and approved by the Labor Council at the April 22, 2021 meeting of the Five Counties Central Labor Council. The committee looks forward to seeing an increase in applications this year, as this has been a very popular program in the past. Please direct questions to Dr. John Whitmer, Scholarship Chair, at (530) 515-5283 or john.whitmer@yahoo.com.

Thank you for your support of this program.

John D. Whitmer, Ph.D.
