**Date:** Thursday, April 25, 2019 7:48:56 PM

---

To all Carousel Cove Homeowners,

The plans have been finalized for the start date for the swale maintenance in Carousel Cove. The work will begin Monday April 29 starting next to 26760 Sammoset Way. The work will move south on Sammoset, one side only, to Bonita Fairways Circle staying on one side only. Keep in mind that the plans may change as the work progresses.

Denny Stewart will be around or on site to address any concerns or questions anyone may have. He is confident that the work will be completed with a minimum number of issues and will keep us apprised of any updates.
