Email 19-023 – Carousel Cove Homeowner Rules

Folks,

As homeowners begin to return to our beautiful community, we wanted to remind you of a few of our rules that have reported as having been ignored.

1. All dog owners are responsible for picking up their dog's waste.
2. All dogs must be leashed at all times.
3. The speed limit in our community is 15 MPH. Please do not exceed the speed limit.
4. Kat Luchene (President of Alagold, Owner of the BF Golf Course) reported two incidents of trespassing to us this morning:

One involved a resident in our community flouting established rules last night.

The other on Friday evening involved "a white car with a tall Caucasian male... Removed the rope blocking golf course pro shop entry. He proceeded to drive up to water wash area then walk to water hole on Natura's property. He went behind trees out of site to return and put something in his passenger side door, then quickly driving away."

Kat has conveyed two requests:

- 1) Residents are reminded to please follow the established rules: Golf Course lands are off limits at all times unless you have paid green fees and playing a round of golf during Golf Course operating hours. Kat reminds us that trespassers will be prosecuted.
- 2) Please call Lee County Sheriff to report strangers on golf course property who clearly have no business being there: Deterring this type of activity benefits both the golf course and our communities.
