Email 19-025 Golf Course Presentation Follow-up

Folks,

First, I would like to thank all who attended our BoD meeting and Golf Course presentation this evening... great turnout. And thanks to those who dialed into the conference as well... apologies the slide presentation didn't work as we intended. I hope you all feel it was worth your time and that we accomplished our goal of providing meaningful, objective information on which to base your decision.

For those unable to attend, we are attaching a pdf version of the presentation slides. They are also available for download on our website at [Carousel Cove Golf Course Presentation](#).

The slides are best received with an explanation so, if you didn't make it tonight, please attend the BFCA Townhall Meeting this Wednesday (Oct 16) at 7pm at the Main Clubhouse. We will also make another attempt to conduct the on-line meeting, this time with the ability to show the slides properly advancing. We will also try to record the Townhall meeting again.

Questions are invited before you respond to the survey. Please direct them to Linda Hardwick so she can ensure we respond promptly without missing anything: linda@starfishmgmt.com

Finally, please be sure to complete, sign and return the AMENDED survey form also attached here, not the one I sent out last week. The amended survey form was distributed by email earlier tonight, is attached here, and will go out in regular mail tomorrow morning. As I've said before, we are doing our best to help you make an informed decision; please be sure to respond to our survey with your decision.

Thank-you... Casey
