ABOUT THE EVENT

The Jax Teach Northeast Florida Homeschool Open House brings together homeschooling families, educational organizations, curriculum providers, enrichment programs, and community resources for a day dedicated to learning, discovery, and connection. Designed to help families navigate the many opportunities available throughout Northeast Florida, the event provides a welcoming place to explore curriculum, meet educational providers, discover extracurricular programs, and connect with organizations that support homeschooling.

With more than 300 families registered at our previous event and an expanded exhibit hall accommodating 70 vendors in 2027, the Open House continues to grow as a valuable resource for the region's homeschool community. Admission is FREE for all families, allowing parents and children to explore educational opportunities without the barrier of an entrance fee. Through community partnerships and sponsor support, Jax Teach is committed to keeping these connections accessible to families throughout Northeast Florida.

WHY SPONSOR US?

Your support helps bring Northeast Florida's homeschool community together by connecting families with valuable educational resources, local programs, and new opportunities. Sponsoring Jax Teach is more than supporting an event—it's an investment in a stronger, more connected community. Together, we can keep admission free and make these connections accessible to every family.

REACH THE RIGHT AUDIENCE

Connect with local homeschool families who are actively looking for educational resources, services, programs, and family opportunities.

INCREASED BRAND VISIBILITY

Put your business or organization in front of families through event signage, promotional materials, and Jax Teach communication channels.

BUILD MEANINGFUL CONNECTIONS

Meet parents face-to-face, answer questions, share what you offer, and build relationships with families and other local organizations.

SHOW YOUR COMMUNITY SUPPORT

Demonstrate your commitment to education and local families while supporting an event that makes homeschool resources more accessible to everyone.

LET'S CONNECT!

We'd love to have you be part of the 2027 Jax Teach Northeast Florida Homeschool Open House! Whether you're interested in becoming a sponsor, sharing your resources, or learning more about partnership opportunities, we'd love to connect. Reach out and let's work together to make this a wonderful experience for local homeschool families.

Together, we can make a difference in our homeschool community!
