Material Used In Our Products

MISSION

As a world class, multi-billion dollar corporation we work responsibly to provide original products which are good for the environment with clear benefits for our customers.

CUSTOMER FOCUS

Continuous improvements to our products for energy and water consumption reductions result in lower operation cost for our customers.

RECYCLING

- 100% of scrap metal is recycled.
- 100% of batteries are recycled.
- 100% of electronics & light bulbs are recycled.
- 100% of packaging & pallets are recycled.
- 100% of warranty returns & parts are recycled.

COMPLIANCE

- First and only US foodservice equipment manufacturer to attain the **ISO-14001** certification, which stipulates conservation and preservation practices.
- Compliant with all US regulations and standards including **AB1953** (lead-free products).
- Compliant with all European standards of **RoHS** and Canadian **NRCAN**.
- Our logistic partners participate in the **SmartWay Partnership Program** that reduces air pollution.

To be sustainable... or exist as a viable, responsible corporation...
Hoshizaki America must focus now and to the future in three key areas:

Social Sustainability - Corporate responsibility is evident throughout our organization. From employee community and outreach programs, charitable fundraising to our global nature preserves....Hoshizaki is partnering with you for a better planet!

Environmental Sustainability - We are committed to develop original, energy efficient products preferred by our customers while complying with laws and operating our facilities in a safe manner as exemplified by our BS OHSAS 18001 certification. Our multiple Energy Star Partner of the Year Awards further acknowledges our accomplishments.

AWARD WINNER
2012 | 2013 | 2014 | 2015
2016 | 2017

Economic Sustainability - Hoshizaki practices conservation through reduced energy consumption in our facilities, effective waste management and recycling programs, plus a well-managed supply chain. This is recognized with our ISO-14001 certification. We seek cost management to maintain our profitability by designing and producing the highest quality and best value products on the market. Our ISO-9001 certification demonstrates our commitment.
