

EVOLUTION OF JANYUTECH

A Timeline of Technological Advances

2016

Incubated at
NCETIS
at IIT Bombay

2017

Worked on Landmine
Detection & Removal
Robot for CRPF

2018

Successfully
demoed UGV /
Defense Robot

2019

- Sludge Cleaning & Solar Panel Cleaning Robots
- Investment from ASTRA Microwave Products Ltd

2020

Disinfection
Robot approved by
DRDO Industrial Robotic
Automation Systems

2021

Consultancy Contract for
LEO Satellite Constellation
& 5G Satcom

2022

Rass- Robot as a service

Solar panel cleaning

Sludge Cleaning

Sewer cleaning

QRS-4 legged robot

2023

- Cement Cube
Testing Lab
- Heavy Engineering
metal NDT robot
