Robotics & Simulation engineer.
Janyu Technologies Pvt. Ltd.

Dear Yogesh,

We appreciate your hard work, commitment, and invaluable contributions to "Project Morya" to improve its deliverables.

This is one of the prestigious Robotic project for OCIPL. Your contribution & support to set Yaskawa Robot programming, helped us to improve the productivity at next level with reduction in losses.

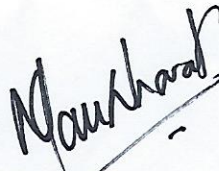

We feel proud to be associated with you & Janyu tech in future.

Best luck to you in your future endeavors.

Yours sincerely,
