

Summer Symposium 2022

This year's WICS Summer Symposium will be hosted by [Dorset County Hospital NHS Foundation Trust](#) in the town of Dorchester on Friday 10th June 2022.

The scientific, clinical and inspirational programme is shaping up nicely. The following themes will run through the day:

Advancing care outside of the tertiary centres

Dr Jenny Ryan	Chronic Liver Disease and Prognostication
Dr Segun Olusanya	The Bottom Line's Annual Update
Dr Tim Edwards	Drugs and Devices in Heart Failure

Maximising multidisciplinary working

Mark Borthwick	Future of Pharmacy in Critical Care
Zoe van Willigen	Rehabilitation in Critical Care and Beyond
<i>Local projects</i>	Scott Prize Presentations

Overcoming challenges in the post-COVID era

Jack Parry Jones	Staffing the Future Critical Care Unit
Benjamin Plumb	New Age of Quality Improvement
Richard Thomas	Interhospital Transfers

Inspiring the next generation

Danny Brydon	Future-proofing Intensive Care Medicine
Tony Redmond	Humanitarian Medicine

Prof Tony Redmond and Dr Danny Bryden
