

2024 Toledo Area National Engineers Week February 18th - 24th

Please join us as we welcome our

2024 Engineers Week Keynote Speaker: Megan Bendtzen

Description: Engineering Unplugged: A PE's Playbook For A Happier Life

Megan Bendtzen walked away from her successful 25-year corporate career as a former Fortune 100 work zombie and is now the CEO and Founder of TheDoctorofFun.com. Her mission is to help overworked, busy professionals resuscitate from burnout and inject fun and joy into their daily grind so that they have happier, more fulfilling lives and more meaningful relationships.

Megan has helped thousands of people discover the Prescription for Happiness and Cure for the Common Life. By cleverly combining the powers of Neuroscience and Funology, she will challenge conventional thinking and inspire you to get serious about fun!

Calendar of Events

The UToledo College of Engineering students are an active group of emerging professionals who are busy planning several student activities during E-Week. We encourage our industry professionals to attend these student activities as an opportunity to see your future employees in action! Details will be shared later.

eWeek Sponsorship

In order to maintain the programs associated with Engineers Week, sponsors are needed. Sponsor's dollars go towards defraying the various costs of maintaining all the programs from handouts, Engineer for a Day lunches for students and teachers, administrative costs, speaker fees, scholarships, facilities and miscellaneous costs.

Being a sponsor is a great way to participate if you are unable to attend any of the functions.

For sponsorship details contact Gabrielle Michel: gmichel@ssoe.com

<input type="checkbox"/>	Platinum	\$5,000
