Toledo Regional Chapter - OSPE
2027 Young Engineer of the Year Nominations

A time-honored tradition of the Toledo Engineers Week Celebration (February 21-27, 2026) is honoring a northwest Ohio engineer as **Young Engineer of the Year**. We are looking for nominations of candidates that meet the following qualifications:

1) Be nominated by a technical or professional society or corporation.
2) Be under the age of 35 (as of January 1 of award year)
3) Be a Professional Engineer (PE) or Engineer Intern (EI).
4) **Be a resident of or work in** the Toledo Region Chapter Area for the past 5 years. (Toledo Chapter includes: Allen, Erie, Hancock, Hardin, Huron, Lucas, Ottawa, Sandusky, Seneca, Wood, and Wyandot Counties)

Candidates will be judged in eight categories:

1) Engineering Education
2) Professional Registration
3) Continuing Education
4) Professional/Technical Society Involvement
5) TRSPE Involvement
6) Awards or Honors
7) Contribution to community
8) Engineering Achievements

The submitted nomination package (including resume of nominee) should address each of the eight categories listed above. Documentation and letters of recommendation are strongly encouraged.

Please submit nomination packages to Laurie Adams, Selection Chair, no later than Friday, December 4, 2026 at:
