

ACACIA MASONIC HALL

10433-83 Avenue

Acacia Masonic Hall has been an active community Hall in the Edmonton Strathcona Community since 1929. The original minutes of 1928 propose to build a Hall that would meet the needs of a growing Strathcona Community as well as provide a meeting place for our local Masonic Lodges.

In a few years we will be celebrating the 100th Anniversary of Acacia Masonic Hall and we would like to send a clear message to the community that we support. “We are open for business”.

Acacia Hall has a reputation of being an active and vibrant part of the Strathcona Community. The Hall has a capacity of 99 persons; is air conditioned, has a full service kitchen, two ovens and a full size cooler with ample parking within the community.

Acacia Masonic Hall has complete barrier free access, with a ramp to enter the Hall located at the front entrance, clean accessible washrooms and an elevator to allow access to the second floor.

If you would like to arrange a tour of our historical Hall or plan a rental please contact one of our service providers by emailing us at the address below:
