

## Classic K9 Dog Training Centers **Good Dog Class**

### **What to expect.**

Thank you for enrolling your dog in our Good Dog Class. Please note that this training program is a Volunteer Community Service. Your enrollment benefits Local Animal Shelters, Rescue Organizations, North American Dog Registry Association, Canine Cancer Foundation.

The Good Dog Class not only teaches your dog discipline, but also includes all basic and advanced commands and Canine Good Citizen certification. You will also learn how to correct problem behaviors like digging, biting, chewing, barking, counter surfing, aggression issues and more. The class is designed for puppies and uneducated adult dogs. No dog is too young or old for the Good Dog Class. Great socialization for ALL breeds.

### **We train YOU how to train your DOG!**

### **The Good Dog Class**

Students that enroll in and complete the entire 5-weeks of training, receive a certificate of achievement (diploma) on week 5 of the course. These “diplomas” are issued in person at class on week 5 “graduation day.” Or, you will receive a printable version of your dog's diploma via email, when completing our Good Dog Online Virtual Training Class.

### **Canine Good Citizen**

In addition to the diploma, some students are able to successfully acquire a Canine Good Citizen (CGC) certification through the **American Kennel Club**. CGC is optional but included in the Good Dog Class. Not all dogs can pass the test by the end of week 5. Those that do pass are issued documentation for CGC at the same time as you receive your diploma. Your dog may require additional practice after graduation in order to pass the CGC test at a later date. CGC testing is scheduled any time by appointment.

### **Lifetime Guarantee**

Any dog enrolled in the Good Dog Class, is enrolled for LIFE! You may return to the class for **free** at ANYTIME to take a **refresher** or for additional **socialization and training**. There is NO CHARGE for retaking the Good Dog Class at any time during the life of your dog.
