PBP Number: H7151-001-000

HMO

Summary of Benefits

This Summary of Benefits tells you about our DEVOTED CORE 001 IL (HMO) plan. It includes information on plan costs and some of the common services we cover. It's valid for the 2026 plan year, which starts on January 1, 2026 and ends on December 31, 2026.

Because this document is a summary, it doesn't list all of the coverage details for this plan. If you need to know more, check the plan's **Evidence of Coverage (EOC)** at www.devoted.com. Call us at 1-800-385-0916 (TTY 711), and we can mail you one.

Can I join this plan?

DEVOTED CORE 001 IL (HMO) is a Health Maintenance Organization, or HMO plan. To join DEVOTED CORE 001 IL (HMO), you must be entitled to Medicare Part A and enrolled in Medicare Part B. You also have to live in this plan's service area, which includes **these counties: Cook, DuPage, Kane, Kankakee, Kendall, Lake, McHenry, and Will.** We offer different plans for other counties.

Does this plan cover my prescription drugs?

Find out by searching our online drug list at www.devoted.com/search-drugs. Or give us a call or text. We can look up your medications or mail you our list of covered drugs (formulary).

Does this plan cover my doctors and pharmacies?

Find out by searching our online directory at www.devoted.com/search-providers. Or give us a call or text. We can look up your doctors and pharmacies or mail you a directory.

Referral circles

You have access to all providers/facilities in the Devoted Health network for your plan's service area, although you may require a referral from your Primary Care Physician (PCP) to see certain specialists. Your PCP will provide most of your care and will help arrange the rest of the

covered services you get as a plan member. For more information about referrals, including which specialist visits require a referral, please refer to your Evidence of Coverage.

Your PCP may work with certain plan specialists, called a "referral circle," to provide the medical care you need. PCPs who participate in referral circles will have a "Medical Referral Group" displayed next to their name in our provider directory. If there are specific specialists you want to see, find out first whether your PCP sends patients to these specialists. Each plan PCP has certain plan specialists to whom they refer patients. If you need to see a specialist and would prefer to see a specialist in the Devoted Health network that is outside of your current PCP's referral circle, discuss your preference with your PCP. If your PCP does not wish to refer you outside of their referral circle, you must select a new PCP that can refer you to your preferred in-network specialist.

You may change your PCP for any reason, at any time. To do this, call Member Services at 1-800-DEVOTED (1-800-338-6833) TTY 711. You may also submit a written request to the Member Service Department. For more information about changing your PCP, please refer to your Evidence of Coverage.

How can I learn about Original Medicare?

Check the latest *Medicare & You* handbook. If you don't have one, visit www.medicare.gov and enter "Medicare & You handbook" in the search tool. (Include the quotation marks for best results.) Or ask Medicare to send you one by calling 1-800-MEDICARE (1-800-633-4227) any day, any time. TTY users can dial 1-877-486-2048.

How can I get more help?

Call us at 1-800-385-0916 (TTY 711). We're here 8am to 8pm, Monday to Friday (from October 1 to March 31, 8am to 8pm, 7 days a week). You can also visit us online at www.devoted.com.

IMPORTANT: If you receive Medicaid or Extra Help, your cost-sharing may be lower than what's listed here.

Changes in your Medicaid eligibility or Extra Help level may affect your cost share. For more details, refer to the Evidence of Coverage. To get it, visit www.devoted.com or call 1-800-385-0916 (TTY 711).

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call us at 1-800-385-0916 (TTY 711).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.devoted.com, or call 1-800-385-0916 (TTY 711) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the Devoted Health network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the Devoted Health network. If the pharmacy is not listed, you may choose to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
