Mission Statement

We at Inspire & Flourish work hard to make a difference in the lives of the most vulnerable among us ~ Children struggling with health issues & animal rescue groups.

Message From Founder

I am the Executive Director and Founder of Inspire and Flourish, a 501(c)3, based out of Minneapolis, MN. We support animal rescue organizations both locally and globally. We do whatever is needing at the time whether it be supplying or distributing food, transporting animals, or donating much-needed supplies as the need arises. We put on events to raise funds and we supply donations towards vetting special needs cases. We are “Boots on the Ground” and we try to keep a pulse on the needs of the rescue community.

**All my best,
Steffany Fleming**
