Manuel Gonzales Jr. Ed. D.
Principal

Rev. Michael Pontarelli, O.S.M.
Pastor

St. Juliana Falconieri School was founded in 1965 and has been an active part of our Fullerton community for over 50 years. Currently, the school serves 280+ students in grades 1-8, Kindergarten, and Transitional Kindergarten. Its students and alumnus benefit from an education that honors the dignity and diversity of each student and inspires them to their full potential as intelligent citizens of the world.

The St. Juliana Parent Club is the main fundraising arm of the school and plans an annual charity auction and dinner Gala to raise monies for necessary school improvements and student program development (technology, STEM, art, etc.). Because of our silver gala anniversary in 2023, we will kick-off the year with a **25th Anniversary Silver "Homecoming" Gala on Saturday, February 18, 2023**. All proceeds from this event will benefit St. Juliana Falconieri School.

Generous businesses donate products, services, or unique opportunities to our annual Gala's silent and live auctions. These donations range from sports tickets to vacation home rentals, from airline miles to sponsored dinners, and from gift certificates to parties. Additionally, many businesses make cash donations. We need your donations to make our Gala fundraiser a success.

All cash sponsorships and goods/services donations are tax deductible (Federal Tax ID#33-0595131). If you have any questions, please contact Molly Webb at (520) 400-8300 or thegala@stjulianaschool.org.

We are grateful for your participation in our fundraising efforts. Thank you for your support of St. Juliana Falconieri School.

Best regards,

The St. Juliana Gala Committee
