Editor's Message - Happy New Year Bowlers! The Board of Directors wishes you all the best wishes for the New Year and great bowling scores. Now is the time work off all the sugar cookies and great holiday food. Leagues are getting serious and every point matters. Time to polish your game and get ready for the January-March Bowling tournaments. Consider refreshing the surface of your bowling balls, have the pro shop check your finger inserts to see if they need to be replaced. Check your shoes to be sure they are in good shape. If you haven't bowled in a couple of weeks, it will help to go in and practice a couple of games to be sure you remember which foot to start with. Please like our [Facebook Page](#) and check out our [Website](#). The website will have entry forms for all Association tournaments, a calendar of all the upcoming activities. Please send photos you would like to be posted on the website. If any of your friends/family would like to receive a free online newsletter, go to our website and enter their email address and they will begin receiving the newsletters until they opt out. **Don Monroe**, Newsletter Editor and Director Hernando County USBCA
