Editor's Message - Hello Bowlers! This is the time of year that we elect new board members. Each year, we hold elections for 1/3 of the board of directors. There will be 5 positions open for election. One of the 5 members is retiring from the board. The **Annual Meeting** will be held on Saturday, **April 13, 2019, at 2:00 pm at Strike City**. If you wish to become a board member, download and fill out the [Application](#). Give the Application to any board member or leave it at Spring Hill or Strike City lanes. Come and Meet the current board and elect the new board. We will provide Pizza and Soft drinks.

We have had fun and sometimes frustrating experience with January through March tournaments. We hosted the 2nd Youth County Tournament on January 27, the Women's County tournament on Feb 16-17, the Men's County on Mar 9-10. The Hernando 500 Club hosted their 500 Club Invitational 8-pin no-tap on March 3. Strike City and Spring Hill Lanes hosted the Valentines Day and the St Patrick's tournaments at their respective centers. Tournament results can be found on the website. I would like to give a big shout out to both Strike City and Spring Hill Lanes for their support in our tournaments and their hosting of their own tournaments.

Please like our [Facebook Page](#) and check out our [Website](#). The website will have entry forms for all Association tournaments, a calendar of all the upcoming activities. Please send photos you would like to be posted on the website. If any of your friends/family would like to receive a free online newsletter, go to our website and enter their email address and they will begin receiving the newsletters until they opt out. Youth Education Services (YES)

The Youth Education Services (YES) initiative is a united effort by industry leaders in the sport, initiated by the Bowling Proprietors' Association of America and the United States Bowling Congress, dedicated to youth bowling development and marketing.

The YES effort is supported by top bowling brands including Bowling.com, Brunswick, Columbia 300, Ebonite, Hammer, QubicaAMF, Roto Grip, Storm and Track. Each made a significant contribution and the YES Fund has received more than \$250,000 in commitments. Senior Director of Youth Marketing Roger Noordhoek, supported by USBC and BPAA staff, directs programs initiated through the YES initiative.

The advancement of youth bowling is the objective of the YES initiative. The initial focus was the development of a mainstream sports model for bowlers 12 and under. USA Bowling was created as a new team-based structure for competition along with developing training and recruiting programs to attract volunteer coaches. The YES Fund also made the High School Grant Assistance Program, which each year awards \$2,500 to four high schools to start or maintain a bowling program, possible.

The YES effort is open to anyone interested in becoming involved in youth bowling - companies and organizations involved in youth sports, members of the bowling industry, bowling center proprietors and individuals.
