Editor's Message - COVID-19! Bet you are all tired of hearing this. Me too, but it is very important! The only way to slow the virus is to stay home and not give the virus a chance to spread. Many of the bowlers in Hernando County are in the danger zone for dying of the virus; Over 65, existing heart or lung problems and any other weakened immune system. I am in this risk group. I love bowling, but I am not willing to give my life for it. We are doing much better than other locations in Florida. The following are stats from the Florida Department of Health: <https://floridahealthcovid19.gov/>

CASE DATA FOR HERNANDO

Total Cases: 51

Residents: 49 - NonResidents: 2

Demographics of Cases

Age Range: 19 to 85— Average age: 50

Men: 26 Women: 25

Conditions and Care

Deaths: 1 Hospitalizations: 10

Because of the COVID-19, All of our bowling Centers are Closed until further notice. The status of the leagues have not been officially determined. When they are determined, we will send out an email letter to give you all the information we have. The centers have been generous to the bowlers of Hernando County bowlers and it has been financially difficult for the centers and their workers. I would like to suggest, that if the leagues are cancelled and we get our league payoff, that we as bowlers help out the centers by buying gift certificates that we can use later. It would help the centers catch up on income and we could always give the them to our friends and relatives as gifts.

Please like our [Facebook Page](#) and check out our [Website](#). If any of your friends/family would like to receive a free online newsletter, go to our website and enter their email address and they will begin receiving the newsletters until they opt out.

Hernando County USBC 2019-2020 Tournaments

All Tournaments start at 1pm:

Mar 21-22, 2020
Hernando Men's Tournament
Cancelled

May 2-3, 2020
Hernando Open Tournament
Cancelled

New USBC Rule this Year

Static weight and balance holes.

- USBC has increased the static weight difference to 3 oz for all balls weighing over 10 pounds.
- On **Aug 1, 2020**, no balls will be allowed to have weight holes.
- All gripping holes on all balls must be used on every release. If a bowler only uses fingers and no thumb, the thumb hole must be plugged, and an "X" must be etched in the ball and the hand must cover the X to be a legal release.
- Since house balls are not drilled for specific bowlers, they are exempt from the weight hole rule.

Visit BOWL.com/EquipAndSpecs for more about the specification changes.
