Editor's Message - Hello Bowlers!

All of the Bowling Centers in the Hernando County USBC Association are open. Fall/Winter leagues are in process. If you haven't signed up for the Fall Winter Leagues, there are openings at Spring Hill Lanes, Strike City, and Brooksville Lanes. Pick the time and day you want to bowl and find the perfect league for you. See the Center's websites for all of the latest League start dates and times. There are links to each of the centers on our website.

From the Association Manager, our membership this year has dropped by 612 bowlers. We have many bowlers who have not returned to leagues yet, due to the Covid-19 virus. Hopefully, bowlers will return soon or in the Spring and Summer leagues. Currently, the budget is in good shape, but it will be monitored as expenditure are made through the rest of the year.

From the Awards chairman, we have an adequate supply of awards, but more will be ordered when necessary. The 300 Game and 800 Series trophies have been delivered to Spring Hill and Strike City respectively, on Sep 29, 2020.

From the Ways and Means chairman, we are looking into items to purchase, games to play and raffles to add to the fun of the tournaments.

Brooksville Lanes: We have a couple openings for bowlers for the Friday night 9 pin no-tap league. It's not too late to have a great time and get out in a safe environment. They start at 6:45 pm and it's only \$15 a night. Show up a few minutes early to get signed up and that's it. Help us find someone that might be interested. Thanks for your help.

Hernando County USBC 2020-2021 Tournaments

No Tournaments will be Scheduled until after January 2021

We have developed a tournament system that will make results available sooner and this system also includes brackets.

New USBC Youth Membership Rule

Starting with the 2020-2021 Season, the maximum age for Youth membership is 18. USBC Youth membership is available to individuals who have not reached their 18th birthday prior to August 1.

New USBC Rule Starting Fall of 2020. Static weight and balance holes.

Weight holes in bowling balls are longer allowed. All gripping holes on all balls must be used on every release. If a bowler only uses fingers and no thumb, the thumb hole must be plugged, and an "+" must be etched in the ball near the center of the palm and the hand must cover the + to be a legal release. Visit BOWL.com/EquipAndSpecs for more about the specification changes.
