Editor's Message - Hello Bowlers!

Hope you are all doing well! Summer Leagues are in full swing and this year's Hernando County Championship bowling tournaments are complete.

COVID delayed the tournaments, so we had to compress them into a very short timeframe. There were some hiccups along the way, but we handled them as best we could and will try to avoid them in the future. We completed:

1. Women's Tournament April 17th-18th.
2. Men's tournament on May 8-9
3. Open tournament on June 5-6.

Next year we are planning on increasing the number of tournaments. By USBC rules, we are required to hold three Association Championship tournaments, they are:

1. Women's Championships
2. Open Championships
3. Youth Championships

To bowl in the Association Championship tournaments, the bowlers must be sanctioned in Hernando County Bowling Association, so if a bowler from a neighboring association wants to bowl in our association championship, then the bowler must pay local association dues, which are currently \$12.00.

The good news is that we are planning on holding some additional tournaments that are not "Association Championships". For lack of a better term, I will call them Invitational tournaments. These tournaments do not require the bowlers to be sanctioned in Hernando County. They just have to be sanctioned through USBC. The invitational tournaments we are planning this year, are:

1. Men's Invitational
2. Youth Invitational
3. Super Senior Doubles Invitational (65 and Older)
4. Century Doubles Invitational (Bowlers combined ages must be 100 or above).
5. Adult/Youth Handicap No-tap. This is meant to allow youth to bowl with their favorite adult.

Stay safe. Get your COVID vaccinations. A sore arm or a couple of days feeling bad is much better than spending months in the hospital. Enjoy the rest of your summer and I look forward to seeing you on the lanes.
