Regulation 35 Workshop

Are you responsible for reporting on the activity within your fostering organisation?

Would you like some guidance on what should be included?

Would you like the opportunity to break down the requirements of a Regulation 35 and discuss creative and evidence based information?

Why you should attend this workshop:

Regulation 35 reporting is a requirement for Ofsted and should be submitted annually, however, reporting and recording of this crucial information will not only provide Ofsted with the information they need, but by collecting and analysing this information on a quarterly basis it will evidence that you are a learning organisation that ensures any findings is considered within your Leadership and Management, contributes to service development, and keeps you safe, compliant and robust.

Come and join us for an hour-long exploration of the Regulation 35 reporting. Catherine will share her template, discuss the content, challenge thinking and provide you with the template to use or develop in your organisation following the event.

18th January 2024 – 10am-11am – £35
