

FALLING DECIBYLS

Music Producer

From the windy roads of Italy, Falling Decibyls is driven by the desire to be surrounded by utter symmetry. He is a musician, songwriter, DJ and producer in the EDM genre.

Falling Decibyls spent his younger years studying classical and romantic music and this can certainly be heard in some of his electronic compositions. Now, he brings some of the most driven beats in EDM and deep, progressive house.

With the ability to create unique and intense sounds, his music is going to take you elsewhere. Join Falling Decibyls on this path.
