- The treasurer's report was read. Al Bartels made a motion to accept the treasurer's report. Randie Johns seconded the motion. Motion carried.
- Public Comment Period
 - Howard Hanson congratulated Todd Sparks for running for County Board Supervisor for District 9.
 - Vaughn Kuehl asked why we have a smaller recycle bin in the shed. The size and shape of the bins left is solely at the discretion of Modern Disposal since we do not own them.
 - Valerie Holmes asked about the driveway that is to be put in on Schenecker's property. Howard Hanson said that is the next item on the agenda.
- Proposed Road off of Interior
 - Howard Hanson was asked if the board would approve turning a private driveway that may be built in the future, into a Town Road, and what would be required to do that.
 - This driveway does not currently exist, but the road would have to meet specifications set by the town, which include width and material used, before the Town would take it over as a road. The Town will not pay to make the driveway a road, this would be at the property owner's expense.
 - Howard Hanson made a motion to table to the matter indefinitely since nobody has appeared before the board to explain what is being proposed. Randie Johns seconded the motion. Motion carried.
- Monroe County Broadband
 - A meeting was held at the county level on December 29. The Town has not received any information on the meeting. Howard Hanson made a motion to table the issue. Al Bartels seconded the motion. Motion carried.
- ARPA
 - The Final Rule is effective April 1, 2022. Until then the Interim Rule is in effect. We are still awaiting guidance as to what the Final Rule is.
- Mike Randall has been hired to assist in snow plowing on a part-time basis.
- Monthly bills were reviewed and approved.
- Motion was made by Al Bartels to adjourn the meeting. Randie Johns seconded the motion. Motion carried.

Respectfully Submitted,
