New Business

Todd Zaremba was present to discuss the letter that was sent out to property owners pertaining to plowing snow across the roads. When he read the state statutes, he read them to say that you could plow across the road, just not leave snow on the road. The letter was written according to the opinion of lawyers at the Wisconsin Towns Association, that snow should not be plowed across the road. He also felt that the plow drivers are driving too fast while plowing, and brought in his mailbox to show the damage that has been done by the plows. He also felt that if the people in the town were asked to do a better job, so should the patrolmen.

A review of the town insurance will occur at the next meeting.

A motion was made by Randie Johns to adjourn the meeting. Allan Bartels seconded the motion. The motion carried.

Respectfully Submitted,

Breanne Zaremba
