Application for Conditional Use Permit for Howard Randall/US Cellular

US Cellular wants to place a 120' monopole telecommunications tower facility on a piece of land they will lease from Howard Randall, at his property on County Hwy CM. There will be no light placed at the top of the tower because it is not tall enough to require it. FAA approved the tower on April 21, 2017. Monroe County Zoning will meet July 17, 2017 to either approve or deny the application. Randie Johns made a motion to recommend approval of the conditional use permit for Howard Randall/US Cellular. Allan Bartels seconded the motion. The motion carried.

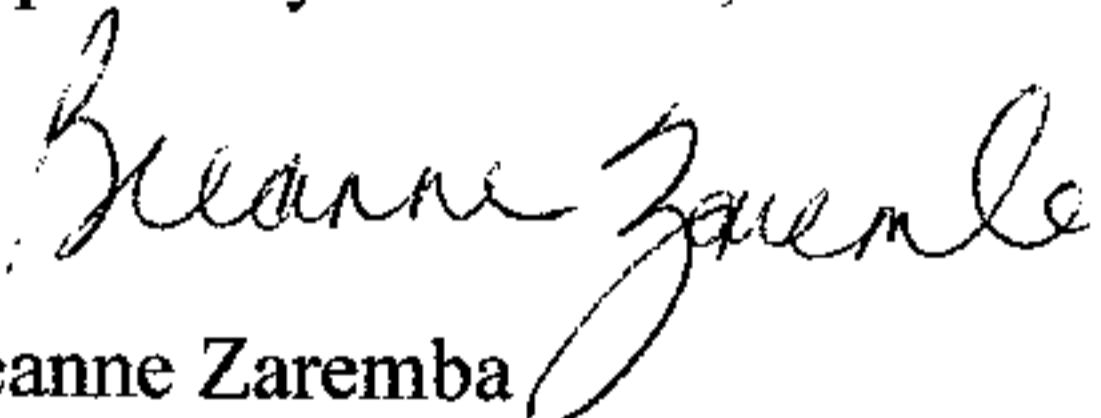

Salt/Sand Shed Update

Howard Hanson sent the application for a zoning permit (with a request to waive the fee) to the Monroe County Zoning Dept. It will be on the agenda for their July 17, 2017 meeting. Plans for the building will be reviewed for approval by the State on August 2, 2017.

Monthly bills were reviewed and approved.

A motion was made by Allan Bartels to adjourn the meeting. Randie Johns seconded the motion. The motion carried.

Respectfully Submitted,

  
Breanne Zaremba
