#### Road Report

Howard Hanson, Mark Cleaver, and Tom Karacson checked roads on April 10, 2023. Sections of Heritage Avenue, Irondale, and the culverts on Hilton Road will get seal coat for an estimated \$50,000. It was brought up that the 2007 Peterbilt plow truck should be replaced. Estimate for a brand new Peterbilt bare chassis is \$152,800, with an equipment estimate from Universal Trucking for \$120,000, for a total of \$272,800. It is estimated to take 2 years if the truck is ordered now. The ideas of leasing a truck or subcontracting the plowing were brought up as an alternative.

Vaughn Kuehl asked if the board has any ideas on how to get the people from the City of Tomah to stop dumping their garbage at our facilities. The town will look into making an ordinance to fine those who bring garbage who don't reside within the Town of Tomah.

Pete Thorson would like the Town Board to look into other options for Ambulance services. Tri-State Ambulance is looking to build a new facility in Tomah, and they could provide services to the town. Discussion ensued. Long range conversations will need to be conducted because they will need to have commitment from more than just the Town of Tomah to make it worth their while.

#### Capital Expenditures

The Town made a payment of \$25,000 on the loan with the Board of Commissioners of Public Lands.
