Discussion on replacing 1 Ton Truck

The board discussed the spec sheets for trucks that came from Larkin's. Pricing will be checked on at Brenengens as well.

Discussion on Salt/Sand Sheds

Howard Hanson checked with Brickl Brothers to get pricing on an all steel building rather than a canvas covered building. Preliminary numbers show prices to be lower for all steel. Brickl also will pour the walls, rather than bringing in precast concrete walls.

Board of Commissioners of Public Lands

Howard Hanson attended the last Towns Association Meeting. The Board of Commissioners of Public Lands is a place that loans money to municipalities only. They would lend the Town as much money as needed, and the Town would have the option for how many years to borrow the money. One yearly payment is made. We could receive the money in installments instead of taking one lump sum.

Monthly bills were reviewed and approved.

A motion was made by Allan Bartels to adjourn the meeting. Randie Johns seconded the motion. The motion carried.

Respectfully Submitted,

Breanne Zarembo
