#### Goose Ave Update

Howard Hanson had a conference call with Kirk Arity from the City of Tomah, and an engineer working for Tomah Memorial Hospital. In order to place one of the retention ponds, the engineer was requesting that the Town close a portion of Goose Avenue. They were not aware of the presence of a gas line along the road, so no action will be taken until they figure out how to relocate the gas line.

The salt/sand shed is almost complete, Gerke Excavating will be coming next to do site work.

Monthly bills were reviewed and approved.

A motion was made by Allan Bartels to adjourn the meeting. Howard Hanson seconded the motion. The motion carried.

Respectfully Submitted,

Breanne Zaremba
