American Rescue Plan Act (ARPA)

There is still no real guidance on what the money can be used for. Clerk Breanne Zaremba found the required DUNS # so we will be able to receive part of the money this May, and the rest next May. Howard Hanson received a letter from Lynxx about exploring what can be done to bring broadband into the Town.

Insurance

The quote to increase replacement costs for the grater (up to \$250,000) and the loader (up to \$150,000) would be \$880 per year. Al Bartels suggested getting quotes on lower replacement values. Terry Christian will be contacted and the matter will be tabled for now.

Wisconsin Towns Association Monroe County Unit Meeting

The next meeting will be held on May 20, 2021 at Club 16 in Sparta. Howard, Randie and Al would all like to attend. The clerk will write a check for the amount of \$30 for the meeting attendance.

Upcoming dates:

- Open Book—May 12 from 5-7 pm
- Board of Review—May 26 from 6-8 pm

New Business

Todd Zaremba had a proposal to raise more funds for road repair. He is suggesting an impact fee that could be attached to the cost of zoning permits. Other municipalities that he works in are starting to add the fees; it could be added to the cost of all new construction of any type of building. The board will look into whether this could be a possibility.

A motion was made by Randie Johns to adjourn the meeting. Allan Bartels seconded the motion. The motion carried.

Respectfully Submitted,

Breanne Zaremba
