Update from Wisconsin Towns Association Meeting

Howard Hanson attended the Towns Association meeting on March 28, 2015. Some of the highlights that he noted were as follows:

- The towns association is 98% sure that the change to a county wide assessment system, that was proposed in the state budget, has been stopped
- The Towns association is pushing for the towns in Wisconsin to receive more than the 4% of state transportation money it currently receives
- The Towns Association has gone on record in favor of increasing either the gas tax or vehicle registration if it will give the towns more money per mile of road
- 

Monthly bills were reviewed and approved.

A motion was made by Randie Johns to adjourn the meeting. Allan Bartels seconded the motion. The motion carried.

Respectfully Submitted,

Breanne Zaremba
