Commercial Electrical Inspector

Howard Hanson was able to gather more information on our options for a commercial electrical inspector for the Town. Shane Rolff, our building inspector is not interested in handling/coordinating inspections. If we hire a private inspector like Emil Baumgart, he will want a yearly retainer whether he we use his services or not, and we will have to file all the paperwork. Our last option is to let the commercial project contact the state and pay the state and add all the fees onto the project cost. Randie Johns made a motion to let each individual commercial project handle contacting the state for inspections. Allan Bartels seconded the motion. The motion carried.

Southside Mobil Class A Beer & Class A Liquor License

Grewal Brothers LLC dba Southside Mobil has made application to renew their Class A Beer & Liquor Licenses. Clerk Breanne Zarembo reports there are no new reasons to deny the licenses. Randie Johns mad a motion to approve the renewal of the Class A Beer & Class A Liquor Licenses for Grewal Brothers LLC dba Southside Mobil. Allan Bartels seconded the motion. Motion carried.

Next Monday, there will be a meeting to discuss changes to the Monroe County Zoning department code of ordinances. Also, there will be a meeting June 17 with the Monroe County Finance Committee to discuss new signs for town and highway roads.

A motion was made by Randie Johns to adjourn the meeting. Allan Bartels seconded the motion. The motion carried.

Respectfully Submitted,

Breanne Zarembo
