IOH Implementation

Howard Hanson made a motion to choose Option F of Act 377, which is for the town to do nothing other than abide by Act 377 of State Law. He also made a motion to have the town patrolmen review all permit applications. Al Bartels seconded the motion. The motion carried.

DNR Wetland Filling Application

Howard Hanson talked to Kari Olson of the DNR. She only sees that we need to fill in one tenth of an acre; we cannot just choose to fill in more land unless we show that we need it. A site plan will be required to fill in more than one tenth of an acre. Howard talked to Gary Sime, he has pictures of the Town's land and the location of the Salt/Sand Shed and any other space we need can be added to those pictures, this would work as a site plan. Kari Olson advised that we wait to fill out the application; there is a new application for filling in wetlands that will be specifically for municipalities.

Monthly bills were reviewed and approved.

A motion was made by Randie Johns to adjourn the meeting. Allan Bartels seconded the motion. The motion carried.

Respectfully Submitted,

Breanne Zaremba
